Thorben Wehrmann

ADVICE ON SUSTAINABILITY TOPICS

Thorben Wehrmann is your external expert for procurement, supply chain management, supplier / product group management, benchmarking as well as for e-procurement in strategic / operational / tactical purchasing. As early as 2004, he showed great interest in the topic of sustainability when he started his career with a voluntary internship at an ecological bank during his studies.

Frequent areas of commissioning:

- Development / support of tenders (RfX, RfQ, RfI, ...) and renegotiations
- Product group, supplier and contract management, negotiation
- Procurement controlling, determination of potential, benchmarking, skill analyzes
- Maturity and organizational analyzes in procurement
- Service procurement, e.g. IT procurement, telecommunications, techn. facility management
- Process optimization, digitization, restructuring
- courses, lectures and training courses in these areas

FOR THE LONG-TERM SUCCESS OF YOUR COMPANY

A sustainable orientation can be beneficial for your company! In addition to sustainability itself, it's about more efficiency, employee satisfaction and greater opportunities in recruiting employees. For example procurement and its procurement processes can be shaped both more sustainable and efficient through various measures – strategic and holistic product group management can be one key for improvement. TWE Consulting accompanies you in the sustainable design of your value chain, helping you to realize economic, ecological and social values. Rely on the experience of TWE Consulting UG!
